STACKING CHAIR
W530 D475 H670 SH450 (mm)

Its back rest is a functional structure round shaped that supports the user's body on a low level of his back. The circle shape of the seat allows a multiplicity of seating direction. Round is a compact and light chair that can be stacked up to 7 unities. This chair, in its original simplicity enables a familiar and convenient use and therefore embodies the symbol of TAIYOU&C.'s philosophy.

円形の笠木は、背中を低い位置で支え肘掛にもなる機能的な形。座面が真円のため、どのような向きでも自然に座ることができる。コンパクトかつ軽量で、7脚までスタッキング可能。控えめであるが個性的な親しみやすさと使い勝手を併せ持つ、TAIYOU&C.の精神を象徴する一脚。
